COMPLAINT

FIRST COUNT

Plaintiff complains against defendant and for relief alleges:

I. ALLEGE JURISDICTIONAL FACTS

This is a suit for injunctive and other relief authorized by and instituted pursuant to U.S.A.C. Title 9 Arbitration §§ 10-16 of Chapter 1. General Provisions. The defendant broke the Arbitration Agreement designed by the firm; president (Mr. Nick Khem) never obtained an order and didn't freeze the accounts before trading in the accounts. A "FED CALL" wasn't issued for either accounts.

SECOND COUNT

Defendant gave misleading statements in the direction of the delivery of the in lieu money on the Boston Scientific options(MERGER). By using the ticket in the assignment of the options to lower the strike price of the option: strike-\$30.00/ratio-1.6=\$18.75(this would be the intrinsic value); the in-the-money value; which is still higher than the market price at the time of assignment. So this whole assignment is out-of-the-money. Kern County Land Co. v. Occidental Petroleum Corp., U.S.N.Y.1973, 93 S.Ct. 1736, 411 U.S. 582, 36 L.Ed.2d 503. Wulc v. Gulf & Western Industries, Inc., E.D.Pa.1975, 400 F.Supp.99.

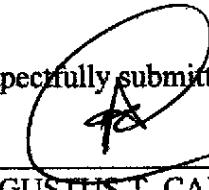

So this could be why the defendant broke the arbitration agreement!

(4)

CONCLUSION

For all of the foregoing reasons, plaintiff respectfully requests that this court enter an order in favor of plaintiff for punitive and compensatory damages in the amount of \$50,000,000.00.

Respectfully submitted,

AUGUSTUS T. CAPERS JR.
